

Road Test Service Agreement: 2019

Our Road Test Service includes setting up the test for you, and processing the application form. It also includes the use of one of our vehicles for your test and one of our trained instructors to accompany you as your sponsor.

Road Test Service Fee: \$100.

It is important to realize that the Registry of Motor Vehicles (RMV) has a long backlog of Road Test appointments extending approximately 7 weeks behind schedule. We will try to arrange road test appointments as soon as possible in either Lynn or Haverhill.

Normally, on the day of your test, we try to meet approximately 30 minutes before the time of your test to check your application and permit and review the top 10 things on the test.

We're not allowed to interfere with the ongoing road tests, so an instructor will meet you at a designated location a block away from the RMV road test location.

Please note I have NO access to what fees you have or haven't paid to the (RMV). However, I would like to bring to your attention the following fees charged by the (RMV).

RMV Fees:

Road Test Fee: \$35

License Fee: \$50.

After the test, please contact your auto insurance agent and go to the RMV. You only have 30 days to pay the (RMV) fees and you are unlicensed until the RMV fees are paid.

On the day of your test please bring the following:

- o Birth Certificate
- o Social Security Card
- o 2 Forms providing Proof of Address: (for example a recent pay stub, a W'2, or a bank statement)
- o Permit
- o Road Test Application Form (If under 18 signed by a parent)
- o \$100 cash for Olbash School of Driving
- o \$85 for the RMV

Disclosures:

I agree to these terms, and I believe I am ready for the test. (Initial) _____

Name: _____ Permit: _____ D.O.B. _____

(Signature) _____ Date: _____
